About Tx4mation

Man can change, but only God TRANSFORMS!

This credo was born from the heart of Johan & Des Potgieter when they were called to take up the mantle of ministry to the body of Christ. The Lord has raised them up to make an impact and a difference in the hearts and lives of God's people, encouraging them through the Gospel of peace and the ministry of the Spirit. They have literally trained and counselled hundreds of people during their time in Ministry and are still doing so today. Johan has not only been counselling the people of God over the past 25 years, but has also been training counsellors over this period to assist the Pastors with the counselling of their people in their churches.

As Johan ministers to the body of Christ there are no borders or pre-qualifying criteria with regards to whom he serves and ministers to.

Everyone is welcome!

Spirit, Soul, Body

Spirit (πνεύμα) Pneuma

According to the Scriptures, we know that in order to be called a Christian, you must be born again by the Spirit of God. We are duly directed to Jesus' conversation with Nicodemus in John chapter 3 where this premise was established by the Messiah Himself. We were all TRANSFORMED and made new creatures in Christ at the rebirth, but our minds remain 'untransformed' until the truth of our identity in Him is revealed, being rooted and established through His Word.

Soul (ψυχή) Psuché

The renewal of the mind is of paramount importance in the life of every believer. The understanding needs to come through that we were not just born again to get to heaven, but for the reality of heaven to become real IN us, FOR us and eventually THROUGH us. The mind with its old programming and paradigms was our reality before we came to Christ. Now we cannot be CONFORMED any longer to the ways of the world, but TRANSFORMED by the renewing of our minds and then CONFORMED into the image of Christ.

Body (σώμα) So`ma

The health of the body is our responsibility as our bodies are the Temple of the Holy Spirit. Taking good care of your body is an essential part of your walk (run) with the Lord. Regular exercise as well as good eating and sleeping habits – and of course good nutrition forms part and parcel of your holistic daily body care, which is your reasonable service unto the Lord.

We need to live in divine balance between the spirit, which is renewed by the Holy Spirit, the mind which is renewed by the help of the Holy Spirit through the Word, and the body which is the Temple of the Holy Spirit.

Accreditation

All the Courses are designed in such a way that it may enhance the personal walk of the believer with his/her Saviour. Personal application is at the order of the day to promote permanent life-change.

The impetus (driving force) of the courses are to move the student from just being a 'Christian', to being 'A true believer', to walking with Jesus as a dedicated and committed disciple, and finally as 'a son and daughter of God,' living out the reality of the Kingdom of God in every sphere of life.

The Bible study courses are all Discipleship studies and not studies linked to the world system, and therefore not accredited with SAQA (South African Accreditations Authority). These studies have been designed and put together from the pure Word of God as well as the life-experiences of the author walking with God over a period of 38 years. These are being used all over the globe for personal growth as well as Church and Home study groups.

The Biblical Psychology studies are designed for those who have a desire to understand their own personal emotions as well as operating in a Counselling capacity to help other people through the sound biblical and Holy Spirit-inspired therapeutic processes. Many Counsellors have done these studies over the years and have been adequately trained to counsel people effectively. For those who would like to be registered as Christian Counsellors, there are three Institutions in SA where these applications can be submitted to be registered. This only comes into play when all three levels of 'The Power of Transformation' Counselling Courses have been completed.

Always remember that no Biblical studies, even if accredited, can make a difference to the person seeking employment in a secular company. These are supposed to be designed IN the Church, FOR the Church, to make an impact and a difference THROUGHOUT the world!

Flight Path 1

Course duration: Recommended over 16 weeks

Class format: Self-study

Prerequisites: None

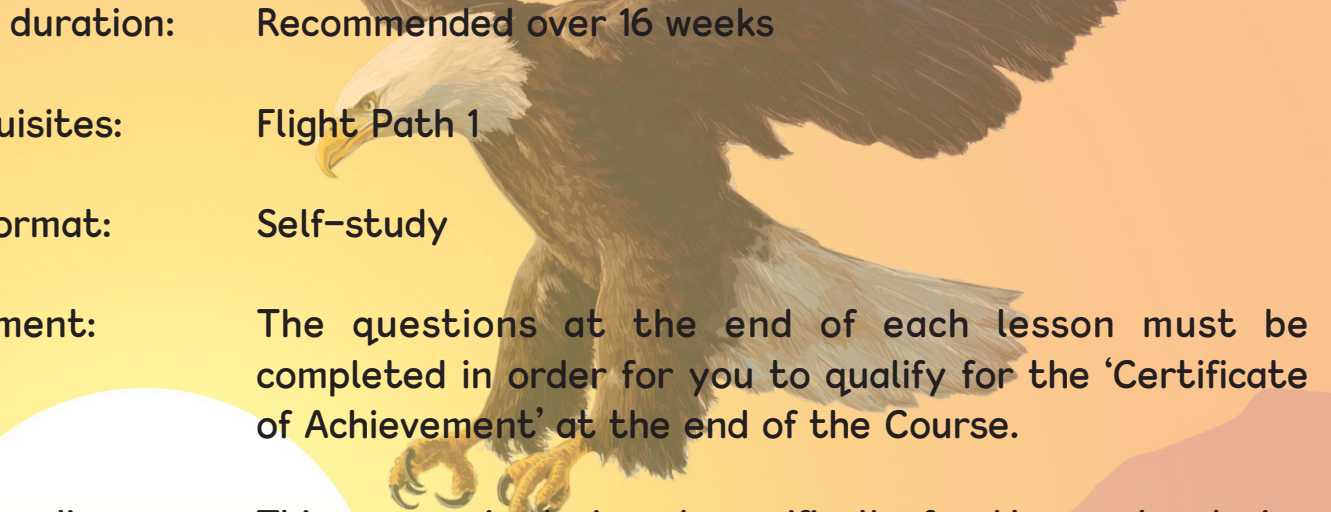

Assessment: The questions at the end of each lesson must be completed in order for you to qualify for the 'Certificate of Achievement' at the end of the Course.

Target audience: This course is designed specifically for those who would like to get into a position of deeper and clearer understanding of their faith.

Content: Here we start from the premise of Paul's statement in 1 Cor. 12:13 which says that the believer has been baptized into the body of Christ by the Holy Spirit at the time of conversion. This is the first baptism that the believer experiences in the New Testament, for the other baptisms cannot become a reality if the first one has not been initiated first. Assurance of salvation is so vital if we are to be able to live in the enjoyment of access to, and communion with, the Father and the Lord Jesus, to walk daily in the Spirit, and to draw near in worship.

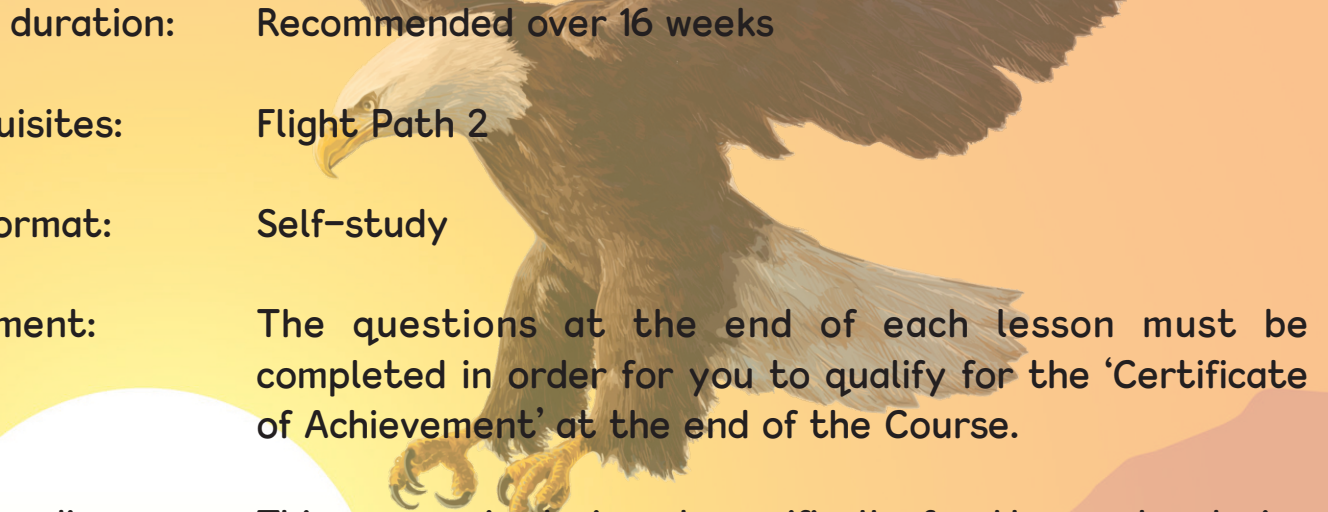

Flight Path

Flight Path 2

- 
- Course duration:** Recommended over 16 weeks
- Prerequisites:** Flight Path 1
- Class format:** Self-study
- Assessment:** The questions at the end of each lesson must be completed in order for you to qualify for the 'Certificate of Achievement' at the end of the Course.
- Target audience:** This course is designed specifically for those who desire to grow in their understanding of who God is and how they can not only relate to Him better, but represent Him more accurately.
- Content:** God has always backed His Word and His Word has always backed Him. He has exalted His Word even above His own name. His Word has therefore become the measuring rule by which all opposing arguments are judged and evaluated. If He is truly an infallible God, His Word must then carry the same status, for how can His Word be any less than He is. The conclusion is therefore drawn that we cannot have any more respect for God than what we have for His Word. His Word is the written record of who He is, what He has done and what He will be doing in the future. It is of the utmost importance that we become carriers of Who He is.
